

ALI'S GRENACHE ROSE

McLaren Vale | 2026

A light, dry, refreshing Rosé, made from 100% McLaren Vale bush vine Grenache that is contour-planted on a south-facing slope overlooking the ocean in the Seaview subregion of McLaren Vale. The vines are selectively hand-pruned, shoot-thinned, and hand-harvested. This medium-bodied wine is delicate and expresses great purity of fruit with remarkable structure and balance.

The 2026 vintage is a delicate, dry, refreshing Rose, with a pretty rose petal colour. Gentle aromas of white raspberry, white florals, and citrus blossom. Light, dry, and refreshing on the palate driven by a crisp, mouthwatering acidity, and clean finish. Favours of raspberry, hibiscus, pink grapefruit, and honeydew melon, hints of orange skin.

This Rosé was created to keep my wife Ali happy, especially during the summer months when she's drinking with her horse friends, whether at the cellar door, stables, or horse shows. Rosé all day, as they say!
