

TUTELINA SHIRAZ

McLaren Vale 72% | 2019
Langhorne Creek 17%
Adelaide Hills 11%

In Roman religion, Tutelina was an agricultural goddess who was responsible for protecting crops brought in during harvest time. This wine has been planned since the beginning of Karrawatta and is a blend of Shiraz from our own three vineyards.

Tutelina is a multi-regional blend of Karrawatta Shiraz. The magic begins in our vineyards located in three iconic wine regions of South Australia (Adelaide Hills, McLaren Vale and Langhorne Creek). Selected rows were meticulously managed with the highest principles and practices of viticulture. The final wine is selected from only the best barrels of each of the candidate batches.

Bright ruby red with vibrant magenta hues. Intense detailed and complex aromas: rich ripe raspberries with sweet, spicy and peppery notes are complimented by well-integrated cedary French oak notes. Generous ripe red fruit flavours endow the wine with lovely fruit sweetness on the mid palate, this is matched so enjoyably, with substantial velvety tannins and great length of flavours and textures that are timeless.

Extremely rich and fragrant, this is a very concentrated red with a wonderful freshness that matches the floral notes and the enticing bright red fruits. Beautiful integration of fruit and oak. Very long and precise finish that pulls you back for more. Very limited production. Very youthful. Drinkable now, but best from 2024.
