

CHRISTO'S PADDOCK GRAND VIN CABERNET SAUVIGNON

Langhorne Creek | 2018

Our Christo's Paddock vineyard is managed using sensitive farming practices and organic principles. Specially selected grapes from selected vines, this portion of the vineyard is hand manicured from pruning through to shoot and fruit thinning to produce a very special parcel of grapes.

The Grand Vin Christo's Paddock Cabernet Sauvignon is a more rich and fuller bodied style of wine compared to the Christo's Paddock Cabernet Sauvignon. It is selected from rows in the vineyard where the grapes ripen a little more and it also has slightly more new French oak.

Deep ruby with a dark brick red hue. Concentrated ripe blackcurrants with cedary and smokey oak notes. Complex and interesting. Rich vibrant sweet blackcurrants combine with soft substantial tannins to give great flavour impact and persistence.

Stern, bold, warm and tight. A blockbuster with its fanfare tucked in. Toast, mint, blackberry, dark chocolate and malt flavours roar through the mid-palate before pulling tight on the finish. Super-ripe and brandied with it but floral and lifted at the same time. Intensity of flavour is certainly not in question here; it's rock solid. It's a brutish wine, stacked, built to last, intense.

CAMPBELL MATTINSON
THE WINE FRONT 2022

This is a proper beast in the glass - deep, impenetrable purple. Ripe blackberries, cinnamon, spiced plums - it's big, without losing focus. Rich brambly Langhorne fruit - oak melts into the picture.
