

**POPSIE
BLANC DE BLANCS**
Adelaide Hills | 2019

Handpicked Chardonnay from our high-altitude Meadows vineyard, in the Adelaide Hills. Our Chardonnay grapes were whole bunch pressed to give soft juice, maturation and malo-lactic fermentation in old French oak barriques, and then over 36 months on yeast lees post-tirage bottling.

This Méthode Traditionnelle sparkling wine has fresh citrus aromas of lime, apples and white florals. A fresh aperitif style, with notes of white peach and pastry are balanced by high acidity, keeping the flavours fresh and persistent. All this is wrapped up in the wines silky, creamy texture, making this an absolutely delicious blanc blancs.

Great with light dishes such as entrées, salads, seafood, fresh oysters, white meats and of course any celebration!

Very light, almost pale-yellow colour, the aroma has a meringue, slightly eggy nuances, gently heral and chard-ish. This wine is delicate, light-bodied and reserved, but also fresh and clean with vitality and soft texture..
