

ACE OF TRUMPS
Cabernet Sauvignon
McLaren Vale | 2021

Ace of Trumps vineyard is located in the Seaview sub-region of McLaren Vale, an area renowned for producing intense and sophisticated red wines that age exceptionally well. Detailed planting and soil mapping was carried out to allow for optimal clone selection and vineyard layout. The Cabernet Sauvignon vines are south-east facing which helps to keep the microclimate relatively mild in summer and the fruit and vines protected from summer's hot northerly winds.

This wine is a fine example of McLaren Vale Cabernet Sauvignon. Hand harvested and matured in new and seasoned fine French oak barriques for 16 months. The wine has a deep ruby colour, intense plum/raspberry aromas and plush velvety tannins that build on the palate to give a very long finish. The stylish French oak adds subtle cedar and smoky notes that marry with the fruit flavours to create an appealing complexity in such a young wine.

Cellar for 10-20 years.

Ace of Trumps is a tribute to my family's racehorse, which won the Adelaide cup in 1874.
