

## SOPHIE'S HILL PINOT GRIGIO

Adelaide Hills | 2024

Our Pinot Grigio is planted at the highest point in the vineyard, at an altitude of approximately 480 metres above sea level, where it enjoys cool nights and shade from the afternoon sun - ideal for premium Grigio production. The juice is barrel-fermented in old French barriques and goes through partial malo-lactic fermentation.

*This elegant vintage has produced a gentle and refreshing grigio with a lovely and inviting nose. Aromas of fresh sliced young pears, white florals, and camomile translate to the palate over a core of white stone minerality and a cool mountain water mouth feel. The tangy citrus finish adds the slightest hints of pink grapefruit, and a shadow of woody spice that gives tribute to the subtle winemaking style.*
